

CURRICULUM VITAE

of

Mr David L. Limb BSc FRCSEd(Orth)

**Consultant in Trauma and Orthopaedic Surgery
Leeds Teaching Hospitals Trust
Hon. Senior Lecturer, University of Leeds**

Name	David Leslie LIMB
Date of Birth	13th May 1961
Address	Department of Orthopaedic Surgery Chapel Allerton Hospital Leeds LS7 4SA
Telephone	0113 3924784 Secretary 0113 3924768
Fax	0113 3924585
e-mail	d.limb@leeds.ac.uk
Medical School	1979 - 1985 The Medical College of Saint Bartholomew's Hospital, London.
Qualifications	1982 (June) BSc with 1st class honours in Pathology. 1985 (July) MB BS (University of London) 1990 (July) FRCS (Edinburgh) 1994 (April) FRCS(Orth).
Other Diplomas	1990 Radiation Protection Certificate 1991 Advanced Trauma Life Support Provider 1993 Advanced Trauma Life Support Instructor
Prizes and Scholarships	1979 John Ritchie Memorial Prize for Science, Wath-upon-Deerne Grammar School 1983 Jackson Burrows-Moreton Prize in Orthopaedics, Bart's Medical College. 1993 John Fitton Prize. Yorkshire Regional trainees research prize. 1994 British Orthopaedic Association European Travelling Fellowship 1995 AO Fellowship in Shoulder Surgery Prof. Herbert Resch, Salzburg 2000 Moe Basic Science Award, Scoliosis Research Society
Learned Societies	British Medical Association British Orthopaedic Association British Orthopaedic Sports Trauma Association British Elbow & Shoulder Society
Positions held	Hon Secretary, British Orthopaedic Association 2014-2016 Chairman of Education Board, BOA, Dec 2013 – date Elected member of Council, BOA, 2009-2011 Member of Education Committee of BOA, Jan 2006 - 2010 Chairman of BOA Education Committee Jan 2011 – 2014 Member of BOA grants committee 2009 - 2015 Member of BOA casting committee 2009 -2015 Revalidation lead for Trauma and Orthopaedics 2006- date Editor in Chief - <i>Orthopaedics and Trauma</i> 2010 – date Member of Editorial Board, - <i>Orthopaedics and Trauma</i> 1996-2010 Associate Editor – <i>JBJS(B)</i> , now <i>The Bone and Joint Journal</i> 2010 on Member of Editorial Board, <i>JBJS(B)</i> 2002 - 2010 Associate Editor - <i>Shoulder and Elbow</i> (2012 to date) Programme Director, Yorkshire Orthopaedic Scheme 2000-2005 Member of SAC in Orthopaedic Surgery 2006 – 2011 SAC liaison officer, Oxford region, 2008 - 2011

Intercollegiate Examiner in Trauma & Orthopaedics 2004-date
Leader of written paper committee - Intercollegiate Board 2009 – date
Leader of Standard Setting FRCS(Tr&Orth) section 1 – 2009 – date
Leader of Exam Quality Assurance Group, Section 1, 2015-date

Member of Education Committee British Elbow and Shoulder Society

Member of Clinical Reference group to the Competition and Cooperation Panel, Her Majesty's Treasury 2011 – 2015

Trustee of Charity – John Fitton Memorial Fund 1996-2010

Training

Nottingham General Surgery SHO rotation 1987-1989

Yorkshire Regional Training Programme in Trauma and Orthopaedic Surgery 1990 - 1995

Current Post

Consultant Trauma and Orthopaedic Surgeon

Leeds Teaching Hospitals Trust (Since 1/1/1996)

Hon. Senior Lecturer in Orthopaedic Surgery

University of Leeds

Elective practice – Shoulder and Elbow Surgery

General Trauma with special interest in Shoulder and Elbow

Research

Founder member of Leeds Burst Fracture group.

Papers from this project have won 'best research' awards at the British Orthopaedic Research Society, the Australian and New Zealand Biomechanics Conference and at the Scoliosis Research Society meeting in Australia, where we were awarded the 'Moe Basic Science Award'.

Basic science research on the shoulder. In 2001 and 2002 research students funded by grants I held won the 'best paper' award at the British Anatomical Society for work on the glenoid fossa of the shoulder, also presented at the International Conference on Shoulder Surgery in South Africa during 2001.

I am on the Data Monitoring Ethics Committee for the ProfHer trial, an HTA funded (£1.5m) multicentre trial of shoulder fracture management. The results have been published in JAMA, but the trial has been extended to 5 years in recognition of the importance of its results. I assess and peer review projects for the HTA Board and in the past 12 months have carried out the final pre-publication review on Cochrane reviews on Frozen Shoulder and Shoulder Fractures .

Since January 2003 I have compiled a CME questionnaire for each issue of Current Orthopaedics, later renamed 'Orthopaedics and Trauma', recognised for 3 CME points by the continuing medical education committee of the British Orthopaedic Association.

From January 2006 - January 2012 I compiled a quarterly CME questionnaire for the Journal of Bone and Joint Surgery (British Volume) based on the review articles published in the relevant time period. This was recognised for 5 CME points by the continuing medical education committee of the British Orthopaedic Association and was replaced by new web based specialty channels, for which I am now specialty lead for the Upper Limb section.

Presentations to Learned Societies

Limb D, Dreghorn C, Mannion R & Murphy B Primary Lymphoma of Bone. Combined Meeting of the Orthopaedic Associations of the English Speaking world, Toronto, Canada, June 1992 (Poster)

Other Interests

I am a keen Rock Climber, climbing at the 'Extreme', though time has constrained this more to indoor wall climbing recently. I enjoy running and I have participated in off-road races at 7 miles, 10km and the Leeds Half Marathon on several occasions. In 2002 I ran the London Marathon for the Wishbone Trust completing the course in 3hrs 9 mins, in April 2006 for British Orthopaedic Foundation (3 hrs 8 mins) and April 2012 for Joint Action (3 hrs 14 mins).

I cycle regularly both on and off road. Since 1999 (when I took part in the English Coast-to-Coast ride for orthopaedic research) I have taken part in annual multiday cycle rides for charity. I was a charity trustee of the John Fitton memorial Fund from 1996 until 2010 and organised the annual research day and dinner for this charity between 1996 and 2006.

I maintain an interest in Photography, having had photographs published within, and as cover shots, on climbing magazines. When a student my general photographic work was exhibited in a public gallery in London.

David Limb , December 2015
